Administrators Message

Welcome back to another year at Spruce Home Public School. As your Principal, I am eager to continue at Spruce Home Public School. With the beginning of every school year, I am excited, anticipatory, and nervous all at the same time, just as a child walking into a new school. I am excited to renew relationships and help bring a focus back on the education of youth in our community. Our staff is ready and looking forward to another great year with all our students! Our staff has a few new additions to mention and welcome. We welcome the return of our EAs, Mrs. Johnson in a full-time role and Mrs. Larson in a half-time role. IEC teacher Mrs. Jansen returns to Spruce Home Public School as our

Inclusive Education Coach in a 0.5 shared role with Christopher Lake Public School. Mrs. Hoey-Seto carries on in a half-time role as our Kindergarten teacher. Grade 1/2 will be Mrs. Shillington on a full-time basis, and Mrs. Wagner will be our Grade 3/4 teacher. Mrs. Roth will teach Grade 5/6 full-time. Mrs. Ginter will guide band and music here and in three other schools. Mrs. Stasiw will teach math to grades 6 and 8, PE across most grades, and Land-Based Learning as a PE enhancer. Our final new arrival is Miss Paradis, who will teach Grade 7/8 homeroom. Darienne Nikolaissen is our School-Based Social Worker on an interim basis. Mrs. Acorn continues to be that friendly voice/face that greets you at the main desk or on the phone as secretary, and Mrs. Mayor will be keeping our building safe and tidy throughout the day as our caretaker. We would also like to extend a welcome to our new families that are now a part of Spruce Home Public School. As a school, we are committed to yearly goals that we set for our students. For the 2026-2027 school year, we will continue to improve our grade-level work in mathematics, land-based learning, and Exploratory Play-Based Learning (EPBL). As a family, we ask for your support during the year to encourage math (along with reading and writing) at home and have students look for real-world math situations to discuss with you.

Attendance is very important. Please ensure this continues to be a priority.

On behalf of the entire staff, I wish you a wonderful transition back to school life. We are proud to be part of that journey

with your family.
