Principal's Message

November has arrived at Spruce Home Public School, bringing cooler temperatures, changing seasons, and many opportunities to learn, grow, and connect. As we settle into the school year's rhythm, it's been wonderful to see students build confidence, strengthen friendships, and embrace new challenges in and out of the classroom.

October was filled with meaningful learning and celebration. From hosting Extravaganza to Education Week activities to outdoor learning experiences, our students continued to demonstrate curiosity, kindness, and a willingness to try new things. Thank you to our families for your ongoing support and partnership. Strong connections between home and school make a tremendous difference in our students' success.

November is an especially busy month for our school. Families are invited to mark the following dates on their calendars:
Annual Book Fair: November 2-6
Student Progress Conferences: Tuesday, November 4, from 3:00 p.m. to 8:00 p.m.
Remembrance Day Ceremony: Tuesday, November 10, from 10:15 a.m. to 11:15 a.m.
Families and community members are warmly welcome to attend.

The Book Fair is always a favourite event and provides a wonderful opportunity to foster a love of reading while supporting literacy in our school. Student Progress Conferences are an important time to celebrate student successes, discuss growth, and strengthen the partnership between home and school as we work together to support every learner.

November also invites us to pause and reflect. Our Remembrance Day Ceremony will provide students with an opportunity to honour those who have served our country and to deepen their understanding of the values of peace, gratitude, service, and respect.

As a school, we remain committed to helping students grow in mathematics while also supporting their well-being, engagement, and sense of belonging. We encourage families to continue supporting learning at home through reading together, discussing everyday math opportunities, and taking time to talk about the learning experiences your child shares each day.

We will continue to embrace outdoor and land-based learning throughout the fall and winter months. Please help your child come prepared for changing weather conditions with warm outdoor clothing, proper footwear, gloves, and toques so they can comfortably enjoy these valuable experiences.

Attendance continues to play a critical role in student success. Every day at school provides important opportunities for learning, collaboration, and connection. Thank you for making regular attendance a priority and for helping us ensure students are present, engaged, and ready to learn.

On behalf of the entire staff, thank you for your continued support, encouragement, and partnership. We are grateful to be part of such a caring and supportive community and look forward to another month of learning, growth, and memorable moments with our students.

Mr. R. Feschuk
Principal
