Classes resume

Monday, January. 4, 2027

Dear SHPS Families:

December has arrived at **Spruce Home Public School**, bringing with it the excitement of the holiday season and an opportunity to celebrate the learning, growth, and accomplishments of the past few months. As we approach the winter break, our school is filled with energy, creativity, and anticipation for the many activities and traditions that make this time of year so special.

November was a month of reflection, learning, and connection. We appreciated the opportunity to meet with families during Student Progress Conferences and thank you for your continued partnership in supporting student success. We were also proud of the respect shown by our students during our Remembrance Day ceremony, as they reflected on the importance of gratitude, service, and citizenship.

December is always a busy and joyful month at Spruce Home Public School. Families are invited to mark the following dates on their calendars:

- **Christmas Concert:** Thursday, December 3
- **Broadway North/Lake Country Coop Leisure Centre Trip:** Friday, December 4
- **Christmas Meal:** Wednesday, December 9
- **Spirit Week:** December 14-18
- **Last Day of Classes Before Winter Break:** Friday, December 18
- **Classes Resume:** Monday, January 4

Throughout the month, students will continue to focus on learning while also enjoying opportunities to celebrate the season together. These events help create lasting memories, strengthen our school community, and remind us of the importance of kindness, generosity, and belonging.

As winter settles in, we will continue to take advantage of outdoor learning and play whenever possible. We ask families to ensure students come to school dressed for the weather with warm jackets, snow pants, mitts, boots, and toques. Being properly dressed helps students stay comfortable and make the most of Saskatchewan's winter season.

Attendance remains important right up to the winter break. Meaningful learning continues every day, and regular attendance helps students stay connected to their classmates, teachers, and learning opportunities.

The holiday season is also a wonderful time to reflect on the many things we are grateful for. We are thankful for our dedicated staff, supportive families, and, most importantly, our amazing students who make Spruce Home Public School such a positive and caring place to learn.

On behalf of the entire staff, thank you for your ongoing support, encouragement, and partnership throughout the year. We wish all of our students and families a joyful holiday season, a restful winter break, and a Happy New Year. We look forward to welcoming everyone back in January for another exciting chapter of learning together.

Mr. R. Feschuk
Principal
Spruce Home Public School
