**Principal's Message**  
 Happy New Year!!!!!!  
 I hope that everyone had a safe, relaxing, and enjoyable Christmas holiday. It is always exciting to start a new year. This is an opportunity to set new goals and work toward building positive, healthy habits. I wish everyone luck with those New Year's Resolutions.  
 I would like to take this opportunity to extend a huge thank you to the Spruce Home S.C.C. who were so instrumental in creating the festive spirit that was felt throughout our building during our final weeks of school before the break. Thank you to all the volunteers who lovingly prepared the Christmas dinner. This was a delicious meal and gave us the opportunity to gather and remember the importance of family and friends during the Christmas season. Another mention of gratitude goes out to Mrs. Gareau and her team of elves in our SLC. They made the last 12 days before break enjoyable and festive. I hope the helping spirit of our elves carried through to your homes for the break and into the new year. This year's Christmas Family Fun Night was amazing! I would like to thank the students and staff for all the time and energy that went into ensuring that our evening went off without a hitch. The weather was amazing, the activities were fun, and it allowed time to connect with friends and neighbors. What a great night!  
 On behalf of the Spruce Home Public School Staff, I would like to wish everyone a Happy New Year and all the best in 2024!

 We would like to remind parents, guardians and students about the importance of dressing properly for the weather. Dressing properly allows students to enjoy their recesses. Please make sure your child is dressed appropriately. We like to get students outside even if it is for a very short period of time. When the temperature is -30 or lower, students will not go outside.
