Administrator's Message

Dear Spruce Home Public School Families,

February is here, bringing with it a time for learning, growth, and community connection! As we move into the second month of 2026, I want to take a moment to highlight some of the exciting things happening at our school. February is a month that encourages kindness and inclusivity. We will be participating in Pink Shirt Day on February 26, standing together against bullying and promoting respect and empathy. Students are encouraged to wear pink and take part in activities focused on building a culture of kindness in our school.

Our students continue to impress us with their dedication to learning. Teachers are actively working on assessments and have just completed report cards, which will be sent home in the early part of this month. Parent-teacher conferences will be scheduled in March, thus providing an opportunity to discuss student progress and goals for the remainder of the year.

Upcoming Events & Reminders

- February 4- Family Literacy Evening at SHPS - 6:30 to 8:00 for literacy activities and games around the school.

- February 12 –**Parent presentation- Screen Time and Brain Development** - brought to you by our SCC. The presentation

will be from Carolyn Lemire and runs from 7:00 to 8:00 in our library.

- February 13 – Valentine's Day Celebrations - classroom activities will focus on friendship and gratitude.

- February 16 to 20 – February Break (No School) - Enjoy the time with your loved ones!

- February 26 – Pink Shirt Day - Stand up for kindness and wear pink!

Winter Weather Reminder - Please ensure students come dressed for the cold. We continue to enjoy outdoor recess and activities when possible.

Thank you for your ongoing support and partnership in making Spruce Home Public School a wonderful place to learn and grow. As always, if you have any questions or concerns, feel free to reach out.

Wishing you all a fantastic February!

Grade 3/4 News

This month, the grade 3's and 4's have been improving their reading, speaking, and listening skills by participating in Readers Theatre activities. The students have also been talking about decision making in health and the best ways for a group to make a decision. In Science, they have started learning about soil and are just starting to research how animals or insects depend on soil. They have enjoyed all the snow and made the best of some cold temperatures. Let's hope that the cold temperatures are mostly over as we start longer days and are looking forward to spring.

Grade 5/6 News

Even with a very cold January, our Grade 5/6 class has been busy learning and growing! In Math, Grade 5 students wrapped up their multiplication unit and have moved into division. We are exploring a variety of strategies, including the box method, to build understanding and confidence with problem-solving. In English Language Arts, we have continued our reading groups, building comprehension and discussion skills. In Writing, students have been studying the difference between formal and informal letters and are currently working on an informal email as part of our writing project. In Social Studies, we are studying the relationship between people and the land, with a current focus on Canada's provinces and territories. We are looking forward to a great February filled with continued learning and growth!

Grade 7/8 News

In January the 7/8 class worked on designing and creating Earthquake Resistant Buildings. The students built their design and then invited the 1/2 class to watch as they tested the buildings. Each building was excellent and none fell apart! Students have also been continuing to design items to be 3D printed and each student will receive a keychain with their name on it. In Language Arts we are finishing a novel study about the 1936 Berlin Olympic Games as well as working on writing. The 7/8 class is also looking forward to touring Carlton on February 12.

Band News

The Spruce Home 5/6 Band is registered to perform at the Prince Albert Music Festival in March! More information about the performance date and time will be sent to parents once the festival band schedule is finalized. Family and community members are welcome to attend this performance to cheer on our hardworking band students!

The Spruce Home Senior Choir will be performing in the Prince Albert Music Festival on Wednesday, Mar 25, at 9:45 am. This will take place at Messiah Lutheran Church. Family and community members are welcome to attend and cheer on our hardworking choir students!

SLC News

Hello, this is your Spruce Home SLC here. We would like to share with you a bit about our progress this month! At the start of January, we made a goal board (This is a board with everyone from our school's goals they want to try to accomplish this year). We also made warm fuzzies and handed those out to the classrooms. We started planning for Valentine's Day, TeleMiracle, Teacher Appreciation Week, and our spirit week for February. We are all very excited for the next month coming up! We hope you are too! Our SLC group plans to accomplish much more this year! Sincerely- Your Spruce Home SLC.
